TW: Sexual Harassment, CP, Violence, Hypocrisy, Threatening, Fetishism, Racism, and etc.

Zark, You're a KelaWalohu 2.0!
Pervert
Fuck you zark pervert!

Intro

To anyone who supports a person who is doing bad things. I suggest you guys should cut ties with Zark / GreenSkull008 / Skulls

2.0 / ItsYaBoi_Z / Luigi / NintendoHunterXD / LuigiTheSuperiorGamer15 / BabiesYes AdultsNo / RocketLeagueLuigi / RocketLeagueMario / LuigiDoesItAll16. Because of his incident allegations.

His real name is Zachary Pandu who joined YouTube on November 7th, 2019. And he lives in the United States of America (Though he was from Mexico). He is 16 years old.

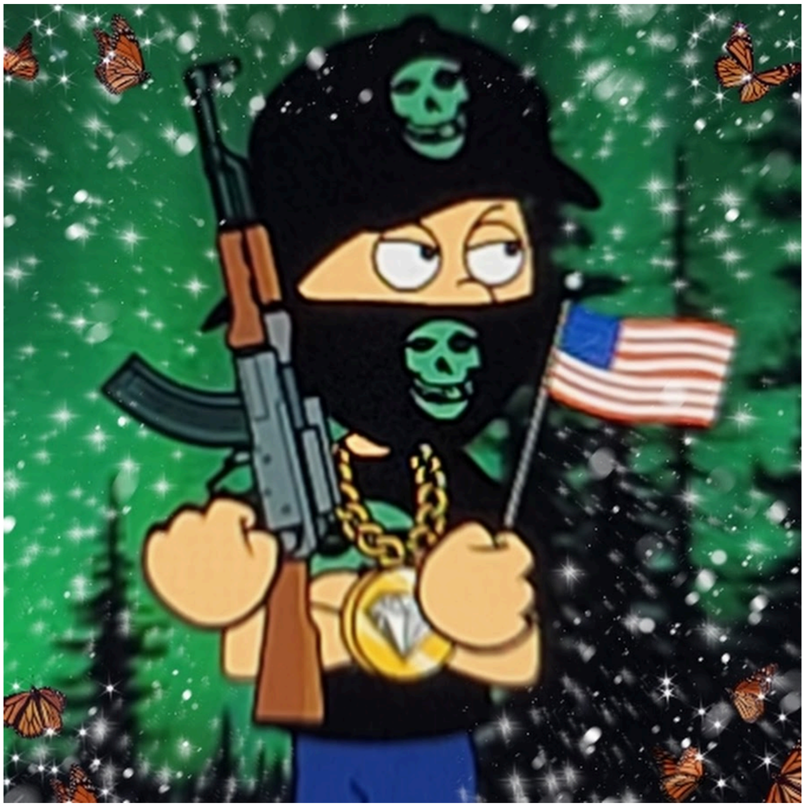
If you are friends with him. Report and block him. And just stay away from him. If he is going to sexually harass you before, He is a POLYGAMIST and a SEX OFFENDER person.

AND DO NOT PRETEND TO LIKE HIM OR SPYING ON HIS DM, BECAUSE HE IS GATEKEEPING Y'ALL.

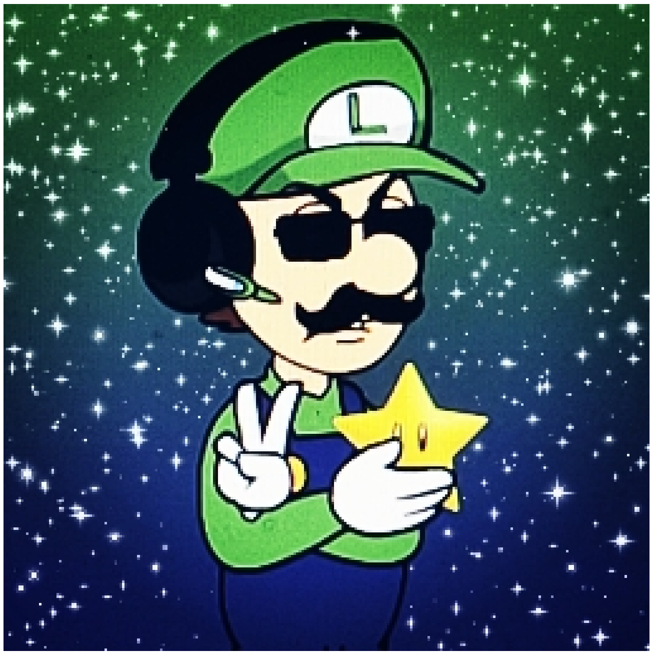
His Discord ID (If you want to ban him from servers, just simple):

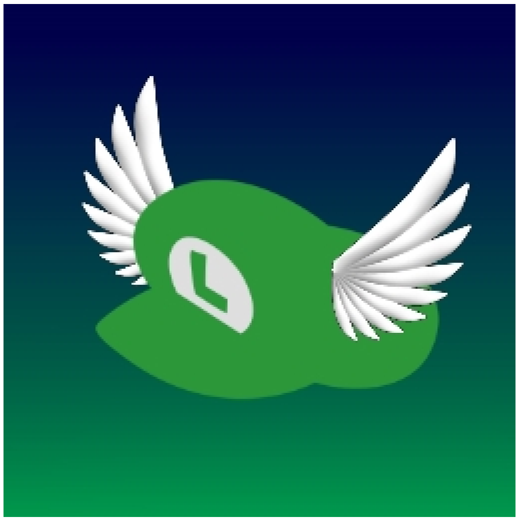
1153360070281793619
(Hacked but he lied)
1161962936105959485 (Inactive)
1264222252954554414 (New)

Credit to Maurice, Stacc/Noah, and various people for the evidence. More real evidence is coming soon.



This guy is a GoAnimate sperg who has a PFP, but supports terrorism.





His another PFP of himself who is being a fake Luigi.

Zark/Luigi is one of the cringiest users I've ever heard in our lives in the GoAnimate/Vyond community. He does more disturbing things to other girls who are minors and some adults.

Polygamy, Sexually Harassment, and Fetishism (so called perverting):

He started doing to commit polygamy to other people and making us uncomfortable because for example: He likes to sexual harassing users over 24/7 like a Kela Waiolu 2.0

Here are his victims who got sexually harassed by him:

Saying that "BaSeD!!11" to a popular cartoon show called SpongeBob SquarePants. But there's no way to call Spongebob a homophobe.

He is canonically Asexual (according to the creator of Spongebob, Stephen Hillenburg)

Yet he is very homophobic to PS4Gamer (NO BETTER).

Where's his proof that I "committed polygamy"? I was shipping one of my OCs named BETty Crimson Bloody K, who is a red woman, with my headcanon OC, Boris, who is a green man.

His post is also hypocritical, like he is doing this to himself. Ngl, He is a polygamist, plus simping on girls over 24/7.

Alright guys!

To those that are claiming I was
sexually harassing girls. That was not me at all. I was actually hacked. if you don't know who hacked me. it was Thomas who hacked my account to be sexually harassed people .

in June. He actually was the one doing the underwear roleplays in June with Stacc and other people he hacked my account 3 three times and I was blind sided to it and I have evidence Thomas has an underwear fetish.

A couple days ago. He actually hacked my account again just to sexually harass Stacy and other people and he admitted it

Not to mention that he also impersonated other people and make fake accounts to be sexually harassing WrapperOffline Haley
and had people be blaming me for it when I didn't. I never sexually harassed anyone in my life.

And in June I saw a notification saying that a new device was logged in to my account. And was sexually harassing Stacc the whole time because I never messaged him that time because I was asleep.

Looks Like I was right.

TechnoGlitch did encouraged me to do a bunch of sexual roleplays when I was 14 and claimed a 4 year old wasn't a big deal he claimed.

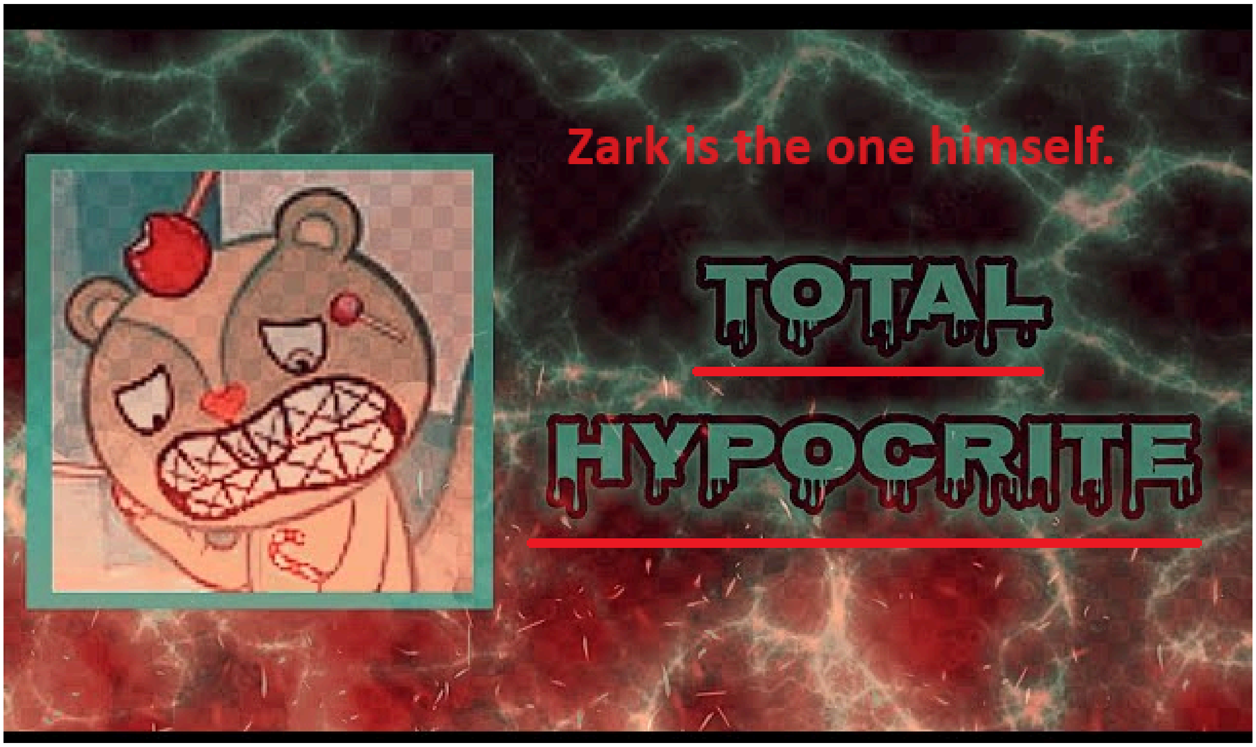
Also here's evidence of a 14 year old not knowing better.

Of course ChatCPT confirmed it.

ChatGPT

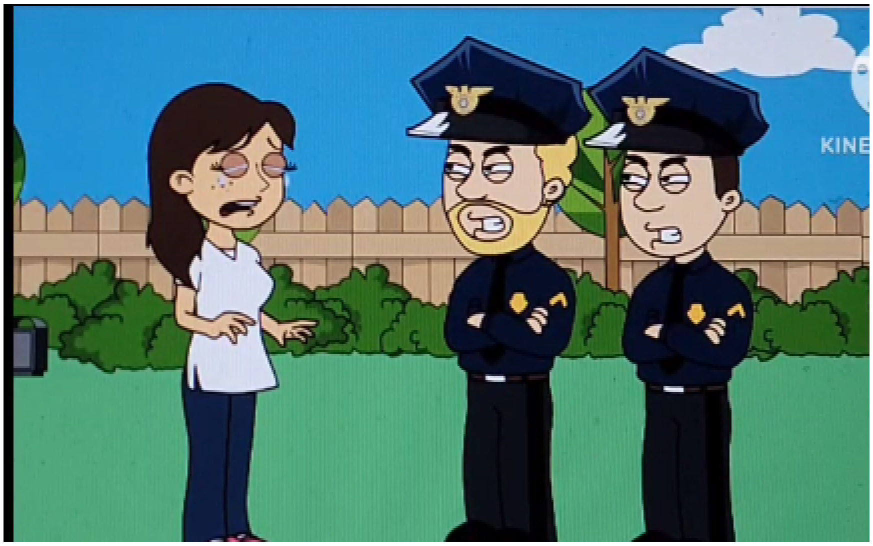
Yes, it is possible for a pedophile to encourage a minor to engage in sexual roleplays. This behavior is extremely harmful and illegal, as it exploits the vulnerability of minors and can cause serious psychological and emotional harm. It's important for adults to be vigilant about protecting children and to report any suspicions of inappropriate behavior to the authorities immediately.

Yet TechnoGlitch (one of my ex-boyfriends) and Zark did sexual things like craps. Very hypocritical. But Technoglitch is no better.



Zark is the one himself.
TOTAL
HYPOCRITE

His bad thumbnail out of my DeviantArt PFP and puts a “Total Hypocrite” word as an excuse. But he is the one himself for all time. All time. His exposing videos are hypocritical for it.



His hypocrisy-hate art. He keeps wasting his own time to make hate-arts out of me but he should go to jail for committing polygamy.

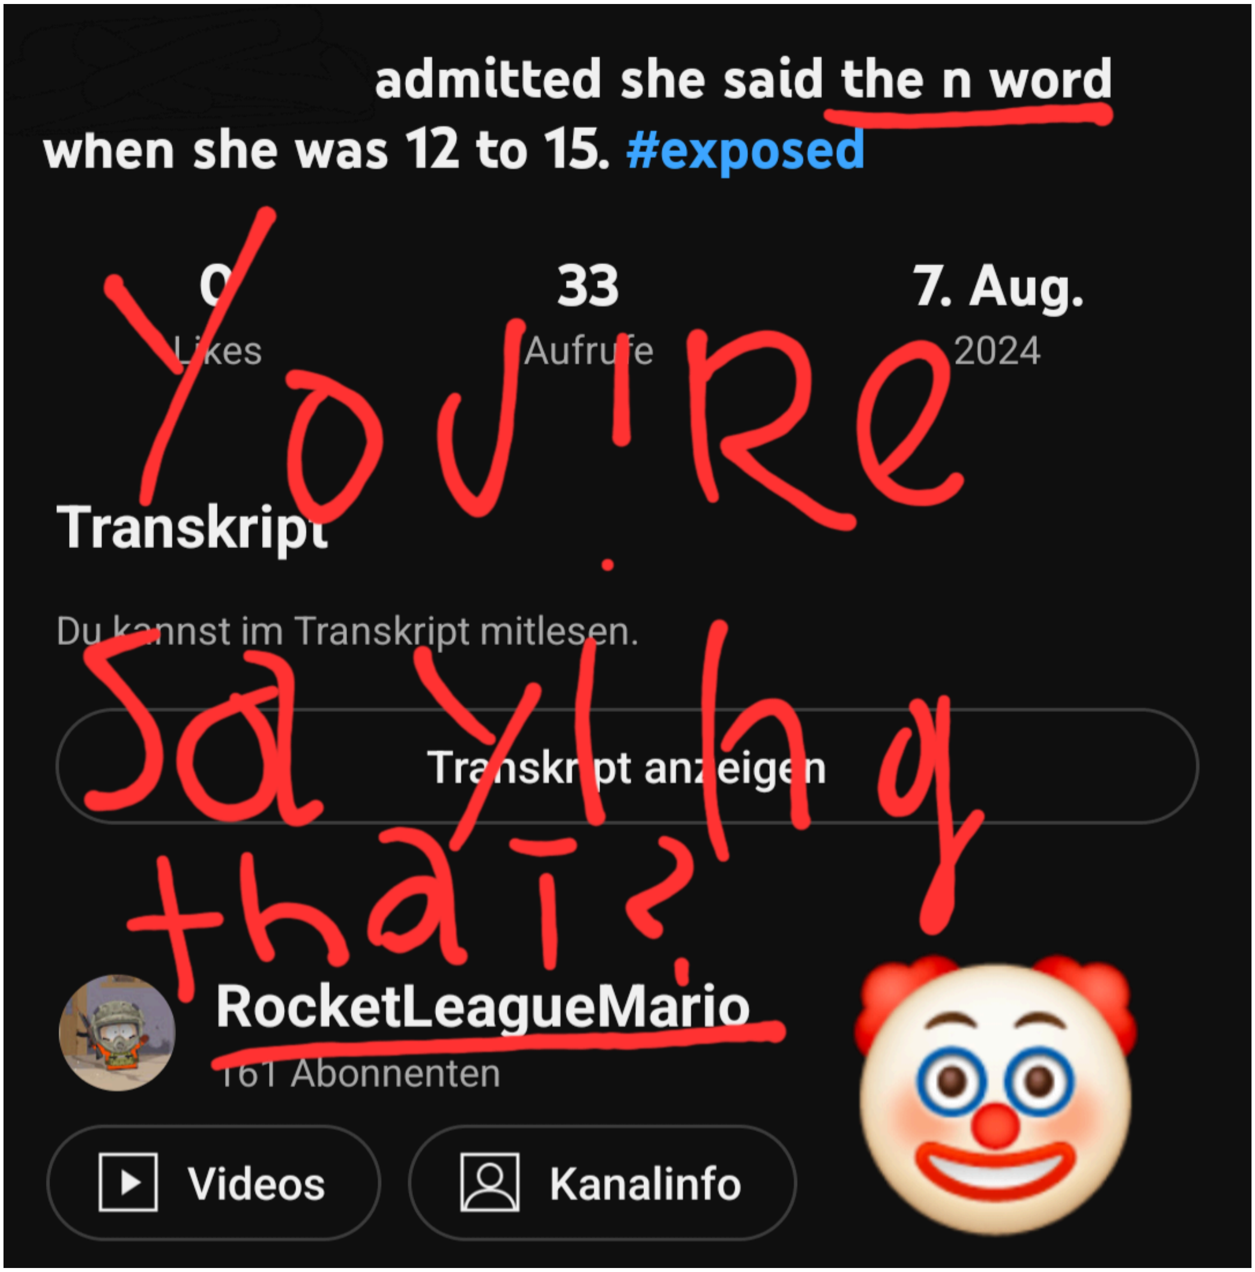
You!

@TophatDemicatGaming you're a creep to minors, bro. 💀😭

So what? He is a creep to minors, not really me. His posts are nothing but ironic and hypocrite after what he did.



[redacted] admitted she said the n word when she was 12 to 15. #exposed

According to a person named KMTG, especially from Alexei Gribanov's server. Zark is disabling his friend requests on his haters on Discord proving he can't handle hate or even getting confronted. What a coward.

Zark breaks his freaking desk because he wants his internet but he keeps playing the victim card and doing self-harm. His raging doesn't matter that he is whining.

According to Maurice. Zark is suicide baiting, and used a hammer to hit himself, which suicide is NOT the answer. On the thumbnail:

He doesn’t really know where my irl boyfriend lives. He is stalking him at first and plus he spelled my irl boyfriend’s name wrong. Making a killing picture should get reported if you guys can report him.

BTW, His grammar is a failure just like Kyah Peterson’s.

Also killing pictures out of my OC persona, it can’t solve anything he doesn’t really understand where i live. He is from North America so he can’t go because it’s too hard.

Conclusion

Zachary Pandu is really nothing but a disgrace to the GoAnimate/Vyond community (Even itself is dead since June 2024). Because he keeps sexually harassing people by making them uncomfortable. He needs to stop doing these disturbing things like underwear fetishes, CP, polygamy, and etc.

I hope he should leave the internet instantly after his electronics get taken away by his real parents.

Btw

Zachary should stop causing the internet wars out of me for dumbest reasons! But he wastes his OWN time.
